A reason to choose Astoria Hotel Italia ...

*... since the beginning of the Sixties we devote ourselves to tourism (hotels, restaurants, conferences & banqueting);
...to interpret the individual needs of our guests is our mission;
... our aim is to focus on the personalization of the services and offer the highest level of quality
...the recent renovation give the chance to choose different solutions
between the nine kinds of accommodations: different for spaces, materials, colours, disposition of the furniture...
such multiple combinations have been conceived in order to satisfy any peculiar need or taste.
..Modernity and tradition are the main ingredients of our cuisine
that offer Regional, National and International specialties.*
